To Whom It May Concern:

We recently had the immense pleasure of presenting *Eric Buss in Shenanigans* at the Curtis Theatre in Brea, CA. From our first introduction and all the way through the final performance, Eric was a joy to work with.

The energy of this production was palpable. It truly felt like a party on stage. Eric dazzled our audiences with amazing and outrageous illusions. Danny and Stacey Cole provided their own brand of incredible magic. Ivan Pecel's juggling act was equal parts hilarious and astounding, and it was all underscored by the DJ talents of Justin Nelson AKA DJ Nel. There was something in this show for everyone and every single person left the performance wanting more.

On top of being a masterful entertainer, Eric was a consummate professional who never hesitated to go the extra mile to help ensure that the show was a success. He was quick to jump in and give interviews, provide content for marketing, and meet and greet everyone after the show.

I whole-heartedly recommend experiencing *Shenanigans* in person. If you are looking to book a fun show full of prodigious talent, look no further than Eric Buss.

Sincerely,
